APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights. It is understood that the one cubic foot of water per second herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the amount of water actually placed to a beneficial use. It is further understood that accurate measurements of the water placed to a beneficial use must be included in the proof of such use when filed. The State reserves the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed one (1) cubic feet per second.

Actual construction work shall begin on or before July 1, 1937

Proof of commencement of work shall be filed before August 1, 1937

Work must be prosecuted with reasonable diligence and be completed on or before July 1, 1939

Proof of completion of work shall be filed before August 1, 1939

Application of water to beneficial use shall be made on or before July 1, 1941. Proof of the application of water to beneficial use must be filed with State Engineer on or before August 1, 1941

Map filed June 20, 1936 under 9949

Proof of commencement of work filed JUN - 7 1937 WITNESS MY HAND AND SEAL this 21st day

Proof of completion of work filed JUN - 7 1937 of January 1937

Proof of Beneficial use filed JUN - 7 1937 for 10 ac. ft. Domestic

Certificate No A737 issued November 17, 1941 for Domestic & Domestic

Received November 20, 1941, Page 3, Page 399
